

# ISWIM Young Researcher Award 2026

## We are excited to announce the ISWIM Young Researcher Award 2026!

### The award

This award recognizes and supports young professionals, bachelor, master, and PhD students, and researchers (postdocs up to 5 years of graduation) who contributed to the field of Weigh-In-Motion (WIM).

### Who can apply?

If your research relates to WIM, you are eligible! Some topics include:

- Calibration of WIM systems
- Data processing and analysis
- Bridge or pavement evaluations using WIM data
- Weight Enforcement
- Traffic Safety.

### How to apply?

Participants must demonstrate a passion for WIM through either their studies or early professional life and show “substantial evidence” of their research. To apply, just submit the following documents:

1. One-page research summary including: title, objective, scope, and conclusions.
2. PowerPoint presentation of up to 25 slides, showcasing your research.
3. Send your submission to: [info@is-wim.net](mailto:info@is-wim.net).

### Timeline

April 24<sup>th</sup>, 2026 – Submission deadline

May 29<sup>th</sup>, 2026 – Awardees announced

### Our Society

The International Society for Weigh-In-Motion (ISWIM) is an international non-profit organization, founded in 2007, legally based in Switzerland. It is an international network of and for people and organisations active in the field of Weigh-In-Motion (WIM). Membership of ISWIM is free of charge for individual members.

### Purposes

The purposes of ISWIM are:

- To support advances in and the more widespread use of WIM technologies and the applications of WIM data.
- To disseminate knowledge and understanding of WIM by organising conferences, seminars, training courses and other events.
- To promote and support international research and development projects on WIM.
- To initiate or participate in the development of standards relating to WIM and its applications.
